AFRICA INLAND MISSION
INTERNATIONAL

Mission team, evacs, and school

At the end of February, one of our hometown churches sent a team of 17 our way. What an amazing week we had! They were here to learn about AIM in general and what we do in specific. We were so blessed and encouraged by this group!

Meanwhile, Phil continues to work on maintaining proper paperwork for the fleet of planes that AIM AIR has, as well as keeping them maintained. This has proved vital in recent months due to instability in South Sudan and a number of evacuations that AIM AIR has been part of. Please keep praying for peace in East Africa!

Phil has started studying for his IA, inspection authorization. This will enable him to sign off on certain airplane inspections, as well as begin the lengthy process of applying for Kenyan authorization. Pray for favor with the FAA officials in the U.S. and capacity to absorb all the regulations and rules!

EJ continues to homeschool and has become part of the leadership team of the local co-op. With 70+ multiethnic kids, the need for homeschool support in Kenya is growing! Benji has become

an integral part of the PE class, assisting the coaches each week. Perhaps coaching is in his future! He was invited to attend a 5 day Soccer Coaching Seminar in March, which he really enjoyed.

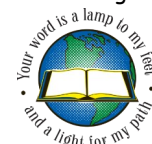

EJ (and crew) serves on the Housing Committee and often assists in handling "situations" and meeting the needs of fellow missionaries.

Praises

- for the Victory Church mission team
- for 2 years in Kenya in July
- for being able to provide safe and reliable airplanes for our missionaries
- for the opportunity to come to the States
- for God's faithful provision through you

Prayer Requests

- for our travels June 6- July 24
- for Phil's IA test
- for college visits and future decisions
- for peaceful Kenya elections in August

Coming to a State near you....

Rumor is out that we are headed to the States this summer. It's true! We are coming to Wisconsin for a 7 week "Family Leave."

The main purpose is to look at colleges for all three older boys, as well as getting Andrew's driver's license. Ben and Mike will be in Driver's ed June 12-30.

During our time in the States we will also assist EJ's parents in their move from WI to Missouri.

Due to the nature of this trip, we won't be traveling or speaking much. However, we will be sharing at 1st Assembly in Waupaca, WI, on June 18.

We are looking forward to coming to the States and hope to see as many of you in the WI area as our time allows! Email us!!

Andrew graduates!

What a special milestone we are approaching this month! Our first born ending high school!

While he is still praying about how to spend a gap year here in Kenya, he is leaning toward technical school in the future.

Pray with us as Andrew seeks God's will, and for just the right kind of opportunity for his gap year.
